EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Michael Kolodesh on 03/10/2005.

The application has been amended as follows:

In (claim 1, line 15) after "means" insert --wherein said one or more stacking means comprises: (a) a first descending means disposed at the outmost vertical position of said stacking means, for receiving said pad-like products at a releasing station disposed at said continuous path of said releasing means, and for maintaining a horizontal orientation of said pad-like products; (b) a second descending means disposed adjacent below said first descending means, for maintaining said horizontal orientation of said pad-like products descending from said first descending means and for delivering said pad-like products into a pickup position; (c) a rotary drum disposed adjacent below said second descending means, for transferring the pad-like products from said pickup position to a stacking position; (d) a bar conveyor disposed adjacent said stacking position, for accumulating a stack of said pad-like products; and (e) an overhead conveyor disposed adjacent and perpendicularly to said bar conveyor for accumulating one or more said stack of said pad-like products and for supplying said one or more stack of said pad-like products to said packaging means for packaging into said package--.
